manufacturing concern in the United States.

HOUSE,
ISLAND A. C. Macdonald,
-Governor P. E. I. Writes:
to the fur trade.
are and valuable of Canadian fur products
for Black Fox, and Prince Edward Island
and of all commodities in the fur industry
is set in its infancy.
I now are undertaken Silver Black Fox
and not only in the fur trade but in cash-
less and well adapted for its purpose, also
the best native Prince Edward Island cloak.

J. A. Matheson,
Premier and Attorney-General of
the Province of Prince Edward

Island, Seys:
demonstrated that the foundation stock of Island Sires Race was far handier for the country, but he equaled it in value of fertility, and he gave some service with command in a very moderate expenditure compared to any experience ought to prize highly.

Murdoch McKinnon,
Commissioner of Agriculture,
His Opinion:
Charlottetown, P. E. I.,
January, 1916.

Sir: I believe, unsurpassed in breeding stock. I do not doubt that the Rose-
form a very important contribution to the
the industry.

R. H. Sterns,
Mayor of Charlottesville, P. E. I.,
Writes:

your Company, I have to thank you for making me one of its Directors. It is big to the most reasonable of all the Gargantuan men probably, exhibiting by reservation in its capacity, that its leaders have utilized service, wealth and ability, and in its aid to your establishment, as here I am. Black faces. I feel sure in saying that I have one of the best in the world, and I am most assuredly command the highest

[illegible]

the choice for all breeding animals I am recommending.

One of the main results in the rapid development of the United States and Canada, with a personal interest for the more southern states. Among included the fact of the Silver Black Fox, its and equipment, the up-to-date and you will find a source.
